

Portable Badminton & Pickleball Game Systems

502201 Portable Badminton Standards (Pair)

Badminton Game standards include two 2 3/8" OD sleeve type posts. Posts shall be 2 3/8" OD 3/16" wall high strength steel mechanical tubing furnished with all necessary hardware. Each post has a sliding lock collar to anchor net and provide proper net tensioning. Each Post includes a free-standing weighted base with protective bumpers to protect floor. Sliding Collar and Weighted Base shall be finished with durable gloss black powder coat. Sliding collars may be rotated and moved down post to be used for Pickleball.

502102 Recreational Badminton Net (21' x 30")

Badminton net is constructed of red, 6 ply nylon netting. Double reinforce white vinyl coated nylon headband with enclosed top rope. Bottom and side include rope reinforcement. Net designed for use with posts spaced at 22' center-to-center.

502122 Competition Badminton Net (19'9" x 30")

Badminton net is constructed of rugged #12 nylon netting that has treated with brown Flexabar for added durability. Double reinforce white vinyl coated nylon headband with enclosed top rope. Bottom and side are nylon taped. Net designed for use with posts spaced at 20' center-to-center.

Complete Portable Badminton Game Systems
